

USE OF BALCONY OR PRIVACY SCREENS

Tenants may wish to use a privacy screen or cover for extra privacy on their balconies. Plain black or grey mesh privacy screen are allowed for use when attached to the balcony railings with zip ties. Dedicated products can be purchased at your local hardware store.

Privacy screens or freestanding panels made of bamboo, tarp, leaves, grass or other material **are not permitted** under Broadstreet's guidelines. The installation of privacy screens must be done without damage to the property or building.

If you have questions about installing a privacy screen, please contact your Site Manager or call 1.866.736.8515 to contact our 24/7 Client Services team.
